## W ATLANTA DOWNTOWN, A ATLANTA

Set in the city's bustling downtown, this new W Hotel sports whimsical, garden-inspired touches throughout its modernist interiors, including a mobile that resembles a tree canopy in the lobby.

Rooms and suites are appointed with Macassarwood furnishings, and the hotel boasts an infinity-edge pool, Bliss Spa, and BLT Steak eatery.

## CONTIGO, SAN FRANCISCO >

The eco-friendly ethos of Contigo restaurant extends well beyond chef/co-owner Brett Emerson's locally sourced Spanish and Catalan menu. The decor by Envelope Architecture + Design features salvaged ceramic tiles, low-VOC paint, and tabletops made of 100-year-old wood beams from a Levi Strauss factory. A backyard terrace showcases a small vegetable garden.
